

POLICE CONTROLS

Calm down

Don't let the officers intimidate you!

Don't give information

Only your Name, place of residence, birth date. NOTHING ELSE!

Disagree

Tell the police that you do not agree to any actions they take!

No testimony

You can not be forced to give any other information. Not where you come from, not where you go to, not who is part of your group!!

Call for Help

Tell others that you do not agree with the police control, ask them for help!

No assistance

You can not be forced to help with any police actions. Only persons of the same sex may search you!

Don't sign anything

They will try to get your signature by any means. Don't sign anything, it may be used as confession at court.

Afterwards

Write a protocoll from your memory!

You may ask the EA or a lawyer for further support.
